

BG Products & Services VICTORIA

- Agriculture
- Earthmoving
- Road transport
- Automotive
- Marine

BG Engine Performance Restoration

- Removes carbon deposits
- Restores compression
- Lowers tailpipe emissions
- Reduces oil consumption by restoring ring function
- Improves overall power and engine efficiency
- Harmless to seals and other engine components
- Excellent for maintenance of diesel and gasoline direct injection engines

BG Diesel Care

BG Diesel Care cleans diesel fuel injection systems, restores optimum fuel, efficiency and protects from the abrasiveness of low sulfur fuel.

- Mixes with all diesel fuels
- Contains no alcohol
- Complies with federal low sulfur content requirements
- Catalytic converter, diesel particulate filter and oxygen sensor safe
- Restores fuel efficiency
- Restores engine performance
- Restores horsepower
- Reduces harmful exhaust

Restore & Maintain Productivity

BG Products & Services VICTORIA

BG DOC

- Prolongs acid neutralization
- Prevents acid corrosion
- Reduces friction and wear
- Stabilizes viscosity
- Prevents sludge formation through increased oxidation and soot control
- It is compatible with all petroleum-based and synthetic diesel engine oils including multi-grade

BG DFC Plus HP for High Pressure Diesel Injection Systems

- Mixes with all diesel fuels
- Contains no alcohol
- Complies with federal low sulfur content requirements
- Catalytic converter, diesel particulate filter and oxygen sensor safe
- Especially effective in HPCR engines
- Restores power
- Restores fuel efficiency
- Restores performance
- Reduces harmful exhaust
- Improves cold weather performance

TESTIMONIALS

Wirrinourt Transport run a fleet of trucks in Western Victoria, Director Donald Wilson tells us since using BG in the day to day running we've seen a fuel saving of 6.66%

Donald: Wirrinourt Transport 0419 579 564 Lake Bolac, Vic

"Since using BG Products the results have giving our business a great boost in productivity and growth"

Nathan: NCC Mechanical 0417 310 168 Echuca, Vic

"Using BG Products has restored the performance and efficiency of our machinery"
